

SCRIP Fundraising

Hello Bishop Schad families!

My name is Michele McFarland and I will be your scrip coordinator for the 2019-2020 school year. Scrip is an easy way for us to earn money for our school and can be one of the largest fundraisers with everyone's help. Fundraising is an important part of keeping the cost of tuition down, allows us to plan fun school events, and is another way school improvements can be done. The best part is, it does not cost a thing to participate in scrip.

What is Scrip?

With the help of over 750 brands, it turns your everyday shopping into earnings for your school. That means you can raise money without having to spend time selling products, asking for donations, or planning events. By paying for your purchases with gift cards, also known as scrip, BSR will be earning money on your purchases of groceries, gas, dining out, home improvement projects, clothing, travel, and more.

You will not be spending any extra money, only what you normally would budget for, because the retailers send a percentage rebate directly to our school for every scrip card purchased (normally between 2% and 16%). It's easy, it's rewarding, and it fits perfectly into everyone's busy lifestyle.

How do you purchase Scrip gift cards?

Unlike most fundraisers, this will be ongoing throughout the entire school year. There are three different ways you can pay and receive your scrip cards.

- The first is by using the paper list and sending in cash or check.
****Easiest method****
- The second way is by going online purchasing your scrip cards, and receiving them in your clear envelope.
- The third way is by ordering scrip eCards online and having them sent to you electronically.

Online ordering may be a great way to get friends and family to order also. You will not have to worry about meeting up each week. If you are interested in placing online orders, you can use your **ShopWithScrip account (www.myscripwallet.com)** on your desktop or mobile device. A **presto pay** account will need to be setup for online orders. Presto pay securely links your bank account to your ShopWithScrip account. There is a small \$0.15 convenience fee, per order when using this service. This would save you from sending checks or cash each week. Keep in mind orders will have to be placed by Friday morning at 9:00am in order for you to receive your cards the following Wednesday.

Scrip envelopes should be turned in **every Friday** with your cash/ check and list of cards you will be purchasing. The envelopes need to be returned each week even if you place your orders online, that way we can keep track of those students who should earn a dress down pass. Scrip gift cards will be sent home with students in their clear envelopes on the following **Wednesday**.

Are there any student rewards for ordering scrip?

Students can earn a dress down day each month. All you need to do is order one card every week in that month and each of your students will receive a pass. The students love when they are able to wear comfy clothes to school.

I look forward to working with you all this school year. Let's make it a great one! I would love to help with any questions you may have, text or call me at 609-774-7736.

Thank you,

Michele McFarland
PTA Treasurer
